PRIN 2026: funded units by GSD of the leader

Data of 26/10/2026; 23 of 28 sectors

1 Subsectors 03/CHEM

Purpose. To describe, for each GSD of the group, the units funded, their money, their ERC sectors, institutions, career levels, gender and partners, using the GSD of the unit leaders.

Result. 56 funded units have a leader whose GSD starts with 03/CHEM (8 coordinators, 48 partners) in 25 projects and 8 ERC sectors; they received 10.78 M EUR (5.18% of the budget). The GSD is known for 338 of the 388 unit leaders of these 8 sectors (leaders of research bodies and of institutions that are not universities are not in the directory). The staff of the directory is known by CUN area, not by GSD, so nothing is divided by the staff of a GSD.
